Special Information

“Mega” Councils

- **Michigan Crossroads Council** (#780) covers most of Michigan, and consists of four "Field Service" Councils that each function like separate Councils under the direction of Michigan Crossroads Council.

President Ford	#781	Water and Woods	#782
Southern Shores	#783	Great Lakes	#784
- The **Greater New York Councils** (#640) covers New York City, and consists of five sub-Councils, each covering one of the city's five boroughs under the direction of the Greater New York Councils.

Bronx	#641	Brooklyn	#642
Manhattan	#643	Queens	#644
Staten Island	#645		
- BSA treats the two “mega” Councils as single Councils and treats the nine sub-Councils as divisions of the “mega” Councils.

US Territories

Five US territories have permanent non-military populations:

Territories in the Caribbean Sea

- **Puerto Rico** is its own Council
- **US Virgin Islands** are part of the National Capital Area Council

Territories in the Pacific Ocean (all part of Hawaii's Aloha Council)

- **American Samoa**
- **Guam**
- **Northern Mariana Islands**

Non-contiguous Council

One Council is split into two sections that are separated by another Council. The west and east sections of the **Laurel Highlands Council** (Pittsburgh, PA) are separated by the Westmoreland-Fayette Council. [The east section was formerly the Potomac Council (Cumberland, MD), which merged into Laurel Highlands in 2014. More commonly, Councils merge with an adjacent Council.]

- The **Green Mountain Council** covers **Vermont**
- The **Daniel Webster Council** covers **New Hampshire**
- Also the **Puerto Rico Council** covers the island territory of **Puerto Rico**

Councils, Regions, Areas, & NST's

At first, the national BSA office supported troops directly, while allowing any group of men to form a local council to meet the needs of their community. In 1913, BSA began issuing charters to 'First Class' and 'Second Class' councils. First Class councils served areas with large populations and could afford to pay a full-time Scout Executive. Second Class councils were run by volunteers. By 1949 there were 543 local councils. The trend ever since has been to consolidate, with 250 councils as of August 2021.

To coordinate councils and build Scouting, the national office first created 8 large **Sections** covering the continental US in 1913:

- Eastern States Section
- Southeastern States Section
- Middle West Section
- Northwest Section
- Southern Central States Section
- Mountain States Section
- Southern Pacific States Section
- Northern Pacific States Section

In 1921, the Sections were reorganized into 12 **Regions**, which coincided with the twelve US Federal Reserve districts. These regions were numbered rather than named, using roman numerals I through XII.

In 1972, the twelve regions were consolidated into six named **Regions**:

- East Central
- North Central
- Northeast
- Southeast
- South Central
- Western

In 1992, the six regions were further consolidated into four named **Regions**:

- Central
- Northeast
- Southern
- Western

Finally in 2021, BSA consolidated/reorganized the 27 areas of those four regions into 16 numbered **National Service Territories**.
