PARENT INVOLVEMENT. Yes, it's very important! Our troop is outstanding because of the involvement of so many of our parents. It's work that's fun—and rewarding for you and your son. Please check how you would like to help (note that most jobs can use as many volunteers as we can get, but some require just one or two people and may be filled—for now). Please talk with the Scoutmaster or Committee Chairman for details on what each job entails.
