Official Uniform Options

Troop 97 BSA

Each troop selects from among the many BSA uniform options. Here are details about Troop 97's options (prices are for youth sizes as of August 2016).

The troop newsletter shows which activities require uniform, and calls out any special uniform options (such as T-shirt instead of standard shirt). In general, we wear full uniform to meetings and "fair-weather" outings and campouts, and typically any time we are in the public eye. The uniform is *not* appropriate for most cold-weather campouts, where Scouts should dress for the weather. At most summer meetings, we wear "summer" uniform, but Scouts will need both "full" and "summer" uniforms at summer camp.

Pictures and sewing templates are on the troop website (www.troop97.net/t97uniform.htm). Please do NOT buy or use the 'Badge Magic' adhesive kits, which tend to look ratty after the first washing and can damage fabrics.
